

# HOLY NAME CES

## Principal's Message

Greetings Parents and Guardians,

We welcome the new month of March with a renewed sense of optimism as the weather begins to change and the days become longer. We thank you all for your continued support as we navigate updates with our re-entry plan. Please continue to read and review school and Board communication in order to be informed of any changes. As always your patience and support is greatly appreciated.

In the month of March, we begin our journey of Lent and look forward to Holy Week (beginning on April 10th) leading up to Easter Sunday on April 17th. I hope that we can all find some time this month to prepare for Easter and reflect on the important aspects of our lives and also the importance of reaching out to one another, helping each other, and giving to those less fortunate.

In March, we also focus on the Catholic virtue of *Perseverance*. It is this virtue that helps us through difficult and trying times. Throughout the month, students will explore this virtue through prayer, reflection, literature, and rich discussion. In addition, we as staff will continue to work towards the learning expectations for Term 2. Our teachers continue to work extremely hard in all curriculum areas as well as focus on student achievement and wellness within the classroom.

Lastly, we also look forward to March Break (14th-18th) as a time to be with loved ones, recharge and reenergize. Wishing you all a wonderful month of March.

Sincerely,

*C. Zorzi*
