Principal's Message

Dear Parents & Guardians,

Happy November!

I would like to thank all of our families for their support and generosity with our first fundraiser of the school year. Although we have not completed our final count of donations, the school spirit and excitement leading up to the Dance-a-Thon certainly made it a great success. Thank you again to our dedicated and supportive Catholic School Council for taking the lead and organizing this for our school.

November marks the end of the first reporting term. Progress Reports will be sent home to all students on November 15th via the Parent Portal. Students have been working diligently to meet curriculum demands and establish sound learning skills during these first few months of the new school year. As in previous years, parent/teacher interviews will follow the receipt of progress reports. Request forms have gone home and we ask that these forms are returned on Monday, November 7th. For your reference, instructions and details for the Parent Portal are listed on the request form. As always, if you have any questions or concerns with regard to your child's learning at any point, please don't hesitate to reach out to your child's teacher.

Throughout the month of November, we will be focusing on the virtue of Justice. Through daily prayer, reflection, and classroom discussion and lessons we will learn and appreciate the virtue of Justice. Our Grade 7s will lead us in prayer and reflection in this year's Remembrance Day Liturgy on November 11th. Our monthly school mass is on November 17th with Father John. In addition to these two faith events, there are various other events occurring throughout the month, as listed under Key Dates. We are looking forward to a great month ahead.

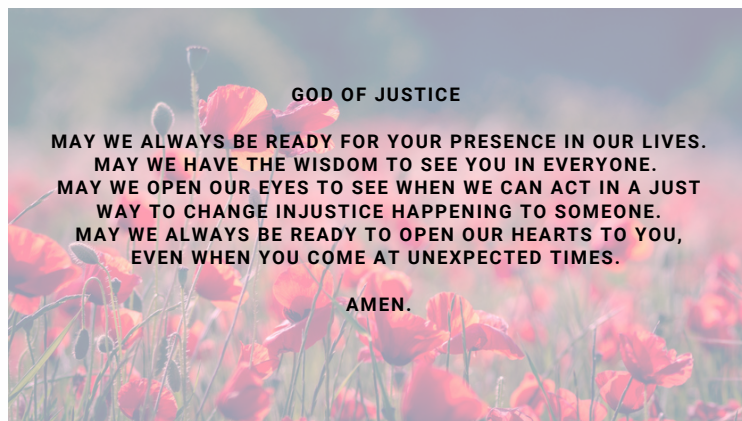

Sincerely,

C. Zsvzi

Principal
