

Greetings Holy Name Community,

A big Husky welcome to Ms. Casullo, our new Vice-Principal! We look forward to having her at our school beginning on Monday, November 7.

SCHOOL CLOSURES

Please continue to check for Board communication regarding CUPE labour negotiations and the impact on our schools. Virtual learning will begin on Monday. The device Request Form was sent to families on Friday. Should you require a device (chromebook) during this period of virtual learning please complete the form. We will be organizing technology on Monday and distributing it shortly after. Further information will follow for pick up.

GRADE 7/8 SCHOOL IMMUNIZATION

Did your child miss the recent student immunization clinic at school?

An immunization clinic for Hepatitis B, HPV9 & Meningococcal vaccines was offered to students at our school last week by York Region Public Health. If your child missed the opportunity in school, it is not too late.

There are still opportunities to be immunized.

- In Spring 2023, a second visit to your child's school is planned. *A second consent form for the Spring 2023 visit is not required if your child did receive immunizations at school.*
- Make an appointment at york.ca/immunization for your child to receive the vaccines at a York Region Public Health student catch-up immunization clinic. *Please note that clinic appointments are released 30 days in advance.*

HALLOWEEN DANCE-A-THON FUNDRAISER

Thank you to all of our families for your generous donations. We are working on finalizing the donation count and organizing ballots and draw. Final online donations will also be sent to the school mid-week. Once all donations are confirmed we will have our draw. Our goal is to have the draw at the end of the week if possible.

INTERVIEW REQUEST FORMS

These request forms went home and were emailed to families last Thursday. We would like these returned on Monday, November 7th. If students are working remotely, we ask that they are returned as soon as students return to school.
