

Greetings Holy Name Community,

As we approach the month of June there are many activities and events taking place at Holy Name. Please continue to access our school website for up to date information, calendar events and school news. The school website can be accessed using the following link, www.hne.ycdsb.ca. We look forward to another exciting month at Holy Name CES.

Jump Rope For Heart: The Jump Rope for Heart kickoff took place this past week. This is a great opportunity to get our students active, practice healthy habits, and teach the importance of giving back. A link to begin fundraising will be posted on your child's google classroom. In addition a paper copy will be sent home with specific instructions on how to begin fundraising. The Jump Rope for Heart Day will be held on Thursday June 8th, 2023.

Grade 3 EQAO: The Grade 3 students will be participating in EQAO assessments this week from May 29 to June 1st. Testing will focus on the areas of Reading, Writing and Math. We wish the grade 3 students the very best as they work to complete their EQAO testing. Grade 6 Testing will occur between the dates of June 5th to June 9th.

SPLICE Week (Grade 7 & 8): The Intermediate Division will be participating in the second annual **Holy Name SPLICE Week** from June 6 to June 9th. Throughout the week, students will engage in a student-directed, inquiry-driven project as they document their learning process and reflect on challenges and successes. The final projects will be presented to the school on Friday June 9. We look forward to the many creations and innovations as students participate in this great learning experience.

2023-24 School Year: If you are *not* returning to Holy Name for the next school year due to transferring schools, enrolling in the French Immersion program or moving, please let the school know once confirmed and as soon as possible. This information is crucial for the successful and accurate planning for the 2023-24 school year. Your support and attention to this matter are greatly appreciated.

School Dress Code: There has been a significant improvement in the dress code attire over the last few weeks. Thank you for your continued support in this area. As the weather continues to warm up, students are reminded to be in dress code and that the following items are not permitted to be worn at school; tank tops, spaghetti strap tops, halter tops, flip flops or crocs. Further information may be found on the school website, hne.ycdsb.ca.

School Day Cashless System: We are happy to announce that 62% of our families have registered with the School Day Cashless System. This is great progress as we strive to reach our goal of 100% participation. Our 2022/2023 Yearbook is well underway. The Yearbook will become available to the whole school through the School Day Cashless System for fast and convenient purchasing. More information will follow in the upcoming weeks. We continue to encourage all families to register for the School Day System as more school events will continue to become available through this system. If you continue to have difficulty registering or accessing the events on the School Day System, please call the school and we will assist as needed. We continue to look forward to reaching our goal of 100% participation in using this tool.

Parish News: For Sacred Heart Parish news, please see the [Church Bulletin](#)
