

Greetings Holy Name Community,

The month of June continues with many fun filled and important events. Our Intermediate students concluded SPLICE Week with many innovative and creative designs which reflected varying interests and ideas. The week ended with a culminating display of each project and all students were able to view and listen to the different presentations. Thank you to our staff for organizing SPLICE week for our Intermediate students and thank you to our parents for your ongoing support throughout this week.

Jump Rope For Heart: As a school we have currently raised close to \$5500 bringing us very close to our goal of \$6000. Upon reaching our goal students will be rewarded with the following incentives: *Teachers Vs Students Volleyball Game, Gr. K-6 Sports Day & Gr 7/8 Dance and a Frozen treat.* The Jump Rope for Heart Day will be rescheduled. Information will be shared on the new date. This extension will provide us with the opportunity to reach our goal and extend our charity efforts. 2022/2023 School Yearbook: The 2022/2023 School Yearbook is available for purchase on the School Day Cashless System. The cost for the Yearbook is \$25.75. Please sign onto the School Day App (ensure you have registered your child), go to 'upcoming events' and select '2022/2023 Holy Name Yearbook'. From there you can view further details and make the online payment. Please contact the office if you have any questions or need assistance. The deadline to purchase a yearbook is Friday June 16.

School Day: This past week we reached a 75% adoption rate on our new cashless system. This is amazing! Thank you to all families that have signed up. Let's continue this momentum and get our remaining families signed up. Looking ahead to the new school year, we will be implementing our full Hot Lunch Program and school forms on this system. We hope to start the year with all of our families registered.

Intermediate Girls and Boys Soccer Tournaments: Our Intermediate Girls and Boys will be competing in soccer tournaments this week. The girls tournament will be on Tuesday June 13 and the boys tournament will be on Thursday June 15. We understand that students wish to cheer on their peers at these events, however, please be mindful that this is a regular school day for students that are not on the team. Any students that attend these tournaments as a spectator must be directly supervised by their parent/guardian. We wish our girls and boys the best of luck! Go Huskies!

Paul Davis Grade 3 Virtual Presentation: We are happy to welcome back Paul Davis. He will be delivering a virtual presentation to our grade 3 students on [Friday June 16](#). The focus for the presentation will be online safety basics. Please reach out to your child's teacher if you have any questions.

Library News: As we near the end of the school year library book exchanges have come to a close. Students are asked to begin returning any books that have been signed out. These can be returned this week during your child's regular scheduled library time.

Sign in/Sign out Binder: A friendly reminder that if your child is late or leaving early a parent must enter the school building to sign their child in or out. This will greatly assist the office staff in ensuring that student attendance is captured accurately.

Parish News: For Sacred Heart Parish news, please see the [Church Bulletin](#)
