Principal's Message

Greetings Parents and Guardians,

We welcome the new month of March. The month is sure to be filled with great learning experiences and a renewed sense of optimism and energy as the weather begins to change and the days become longer.

In the month of March, we continue the journey of Lent and look forward to Holy Week (beginning on March 24th) leading up to Easter Sunday on March 31st. I hope that we can all find some time this month to prepare for Easter and reflect on the important aspects of our lives and also the importance of reaching out to one another, and giving to those less fortunate.

In March, we also focus on the Catholic virtue of *Perseverance*. It is this virtue that helps us through difficult and trying times. Throughout the month, students will explore this virtue through prayer, reflection, literature, and rich discussion. In addition, we as staff will continue to work towards the learning expectations for Term 2. Our teachers continue to work extremely hard in all curriculum areas as well as focus on student achievement and wellness within the classroom.

Lastly, we look forward to March Break (11th-15th) as a time for students and staff to recharge and reenergize before heading into the start of Spring.

Wishing you all a wonderful month of March.

Sincerely,

C. Zorzi
