

# HOLY NAME CES

## Principal's Message

Greetings Parents and Guardians,

Welcome to the month of May, a time of blossoming opportunities and celebrations here at Holy Name. I am filled with gratitude with the new month ahead and all the great accomplishments we've enjoyed together so far this school year. We will continue the positive momentum in the month of May beginning with Catholic Education Week. From May 5th to 10th, we proudly observe Catholic Education Week. With this year's theme, "Catholic Education: We are Called to Love". This theme underscores our commitment to nurturing a culture of love, compassion, and understanding within our school community. Through various activities and reflections, we aim to deepen our appreciation for the values that guide us in our educational journey.

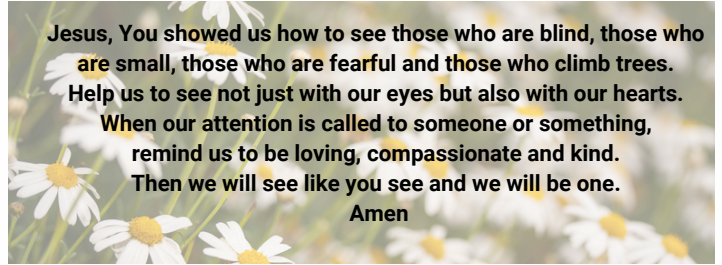

Throughout May, we will also emphasize the virtue of responsibility. Encouraging our students to recognize the importance of taking ownership of their actions and choices fosters a sense of accountability and integrity. Together, let us inspire our students to be responsible leaders who contribute positively to our school and community.

Always a highlight in May is Mother Day (May 12th). We give thanks to all mothers: expectant mothers, birth mothers, adoptive mothers, foster mothers, stepmothers, grandmothers, those who fill in for mothers, and those who are in a mothering role in our lives. Happy Mother's Day!

As we embark on this month filled with meaningful observances and events, let us embrace each opportunity to learn, grow, and celebrate together.

Sincerely,

*C. Zorzi*
